

1. Things I liked about this meeting:

IntroSetting the Scene

reassurance

Getting to know the other coordinators

Lots of opportunities to ask questions. Learning from those with more experience

A lot of time for questions

Clarifications and details

Feeling supported

the feeling that projects fit in and make sense

the vibe, input, people

Great people

2. Suggestions on how we can improve:

Slides can be sent to participants in advance.

No suggestions at the moment. Everything was smooth

Ice cream

Nothing comes to mind

Information could perhaps be sent earlier

good and significant testimonials from previous projects

3. Further comments or questions:

the environment is very supportive.

Let's keep up the same spirit!

looking forward to more

Happy to go on for the next years

Feel better prepared for the task ahead. Thanks

I feel very excited to be part of this new round of projects.
